

Another magical night with Gilmour

DAVID GILMOUR'S *On an Island* concert at the Royal Albert Hall last year was hailed by the critics as a magical, near-perfect performance. And now we can judge for ourselves with the release of *Remember That Night*, a double-disc DVD which includes the entire 2½-hour show and an equal helping of extras.

The concert features Pink Floyd classics like *Shine On You Crazy Diamond*, *Echoes*, *Fat Old Sun* and *Wish You Were Here*.

David Bowie provides guest vocals on

Comfortably Numb and *Arnold Layne* – Gilmour's tribute to Syd Barrett – while David Crosby, Graham Nash and Robert Wyatt also contribute.

The extras include alternative versions of *Comfortably Numb* and *Arnold Layne* with vocals by Richard Wright, Gilmour's take on Barrett's *Dark Globe* and *Astronomy Domine* as recorded at Abbey Road.

Throw in the usual backstage features, documentaries and videos and it's a truly sumptuous package from a truly great performer.

■ GREAT PERFORMER...
David Gilmour.
